

Construction Labour

At JG Pacific we specialized in construction framing and concrete forming, operating in British Columbia. We are a community of builders committed to building better communities. That's why we are looking for talent and if you are excited to join a fast growing and successful team, JG Pacific has a career opportunity for you.

Construction Labour, If you are self-motivated, reliable, hardworking, desire to learn and excited to take on any task which supports the team, we would love to meet and get to know you.

As a Construction labour in JG Pacific you will contribute to our team by:

- Perform manual labour tasks such as, site cleanup, packing materials, organizing tools and equipment, etc.
- Assist the carpenters and skill labours on the site
- Providing essential flagging support for material deliveries and road closures
- Organize and prepare different areas on the site
- General site maintenance
- All daily duties assigned by Site Foreman or Development Managers
- Fill out a daily log for work completed and submit to the Site direct Supervisor daily.

What you will bring to the role:

- Physically fit, punctual, dependable, and hardworking
- Great communication written and oral
- Flagging Certification, a bonus. JG Pacific will support this certification if the ideal candidate does not already have the ticket.
- Any other ticket or course are a bonus
- Previous Construction Experience is an advantage
- Understanding of basic power tools: skill saw, sawzal, hammer drill, compact driver, etc.

JG Pacific is an innovative, safety-oriented company composed of people who find passion in their profession and take pride in doing great work everyday.

At JG Pacific, we celebrate diversity and are proud to be an equal opportunity employer. We are committed to an inclusive environment for all employees and applicants and will make all employment-related decisions without regard to race, color, religion, sex, national origin, sexual orientation, gender identity, or age.

Together, we can build the future.
